

2018 OSU TRAVEL REFERENCE SHEET FOR NON-EMPLOYEES

Effective 1/1/2018 – 12/31/2018

Traveling as a Non-OSU Employee: In your travels, you will be working with a specific OSU department. This department will either point you to a travel coordinator within the department or to a specific OSU Business Center who will work with you to make your travel arrangements. Some expenses, such as airfare and car rental, can be directly billed to OSU, but you must work with your travel coordinator or business center to do so.

Some things to know:

1. A travel reimbursement request must be submitted within [60 days](#) from the return date of your trip.
2. Please keep and submit all receipts with your travel reimbursement request (except meal receipts, which are reimbursed at per diem rates).
3. All tips/gratuities are included as a part of OSU’s meal per diem rate and will not be reimbursed.
4. OSU usually reimburses only for the [most direct route](#) for your travel. If you choose to drive a personal vehicle when traveling over long distances, please be aware that there may be some restrictions on the amount of travel reimbursement you can claim. Please contact your travel coordinator or business center for any questions regarding this policy.

Ground Transportation: (<http://fa.oregonstate.edu/fis-manual/400-expenditures/411-travel/411-02-ground-transportation>)

Mileage: The current private vehicle mileage reimbursement rate is **\$0.545/mile** (effective 1/1/2018). **Gas costs are included in this rate.**

Taxis/Shuttles: Taxis and shuttles can be reimbursed with a receipt, but only the fare. We cannot reimburse for tips.

Rental Cars: Compact or economy cars should be rented, unless there is a specific business need for a different class vehicle (an explanation must be provided and approved). If you receive an upgrade because other vehicles are not available, have the rental car agency make a notation on the rental agreement that the vehicle rented was the only one available and that you paid the rate for the lower cost vehicle.

Gas receipts for rental cars are reimbursable.

Non-OSU employees ARE NOT COVERED by University Insurance so you should check with your own insurance company to determine your rental vehicle coverage. If your insurance company does not cover rental vehicles, it is strongly encouraged that you purchase a Collision Damage Waiver (CDW), which will be reimbursed.

To make reservations through Enterprise, please contact your travel coordinator or business center.
