DID YOU KNOW?

• OSU parking operations are completely self-funded, not supported by tuition, student fees or taxes. Permit fees support the construction, maintenance and management of parking facilities.

• Transportation Services staff will provide a free jump start to your vehicle on campus. Call the office during business hours, and we can usually assist you within 15 minutes.

• Our field staff watch out for vehicles with lights left on, flat tires or anything else out of the ordinary and contacts the vehicle owner.
