PARKING

PARKING AT OSU - THE ZONAL SYSTEM

Campus is split into parking zones – A, B, C and R. Permits are required in A, B, and C zones Monday to Friday between 7 a.m. and 5 p.m., year round, even when classes are not in session. Residential R parking lots are reserved for campus residents only, 24/7. Please park in spaces designated by painted lines and pay careful attention to signs to avoid parking in restricted use spaces.

CHOOSING A PERMIT

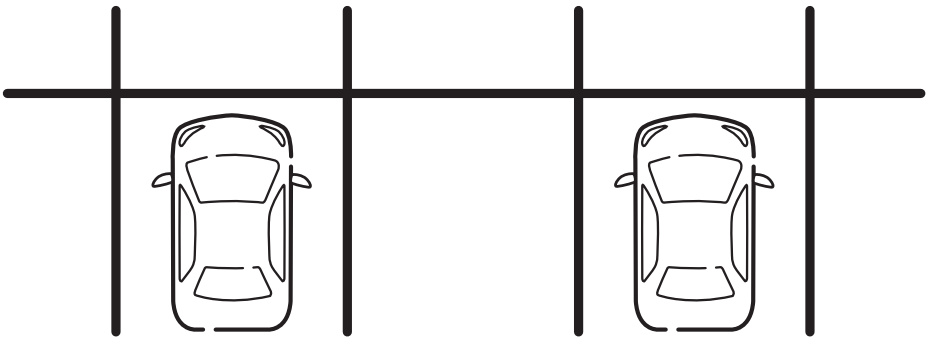
CAMPUS RESIDENT PARKING

Thinking about bringing a car?

Students living on campus are eligible for Residential R parking permits. R Zone permits are sold per Term and allow parking in any lot within the R zone, not just one location and are sold on a one-permit to one-vehicle basis. Residential parking permits usually sell out, so we advise that you secure a permit before bringing a vehicle to campus.

LIVING OFF CAMPUS?

If you are living off campus, consider walking, biking and taking transit to get to class. For the days when you drive to campus, you are eligible to purchase parking in the A, B, or C zones. Parking permits for a particular zone can be purchased by the day, month or year.



PARKING

HOSTING FRIENDS OR FAMILY?

Visitors are welcome on campus! They can park in any of the lots labeled A, B, or C throughout campus. Hourly or daily permits can be purchased online or from a Pay Station on campus. There is no visitor parking allowed in Residential R lots.

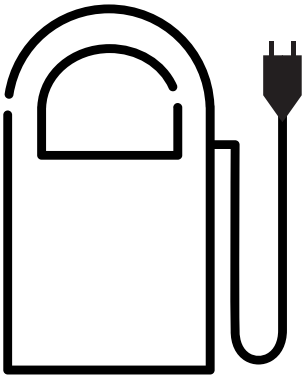
Purchase a parking permit online:

MOVE-IN DAY

The Corvallis Fire Department gives special permission to allow temporary loading/unloading in fire lanes during your scheduled move in day. Parking in fire lanes or yellow curbs is not permitted the rest of the year, so please obey all posted signs and painted curbs during your future visits!

ADA PARKING

Vehicles may park in any ADA accessible space on the Corvallis campus with a DMV-issued ADA parking placard and any valid OSU parking permit.



EV CHARGING & PARKING

OSU has 21 electric vehicle charging stations on campus. Membership with Blink or ChargePoint is required – more information on charging locations and availability can be found on PlugShare at ***plugshare.com***.
